Profile Snapshot

Innovative tech mind with 10 years of experience in **IT Industry**. A Certified **Ethical Hacker** from EC Council. Profound knowledge of **Network Security**, **Penetration** Testing, **IT, OT** and **Cyber Security**. Extensive expertise in network architecture design and implementation along with IT infrastructure Design, implementation & administration.

Work Experience

IT Manager at SPMS   DUBAI, **UAE**   Aug2022 – till Now

Group IT Head for all IT Business under Snooker Project Management System listed as below

- Qamar Al Madina Health Care Center   AL Buhairah Medical Center
- Elite Doctor & Home Health Care   Meta Life Travel & Tourism
- Latoya Smart Services   Sun Print Marketing & E-commerce

IT Exective at EXPO-2020 (Farnek)   DUBAI, **UAE**   May2021 – Aug 2022

Responsible for the day-to-day support of IT systems, computer networks, and telephone systems throughout the pavilion including Planning and Monitoring, Accountabilities, Operations, Infrastructure, Compliance and Audit.

Keep updated with latest technology and security risks on a regular basis Ensure security policies are being followed

Troubleshoot hardware and software problems Responsible for overseeing and handling network configuration. Servers, Workstation

Worked in SIEM solution Log Rhythm, and ArcSight. Creatin of co-relation rules, analysis and administration.

Administration & maintaining of AVAYA IP office and Avaya Wireless solutions.

Configured and maintaining CISCO switches and router along with firewalls Palo Auto.

Planning, implementing, managing, monitoring, and upgrading security measures for the protection of the data, systems, and networks in OT / Automation Projects.

Support with the installation and configuration of network security architectures, including firewalls, router ACLs (Access Control Lists), web content filters and Demilitarized Zones (DMZ) Testing and identifying network and system vulnerabilities.

Troubleshooting security and network problems during testing and Site commissioning.

Networking & Security Engineer at AL ZAIN OASIS Technology   DUBAI, **UAE**   May 2017 – May21

Knowledge of risk assessment tools, technologies and methods

Experience designing secure networks, systems and application architectures

Knowledge of disaster recovery, computer forensic tools, technologies and methods

Experience planning, researching and developing security policies, standards and procedures

Professional experience in a system administration role supporting multiple platforms and applications

Proposed, designed, and implemented various Information Security related projects, such as vulnerability assessments, remediation, intrusion detection, border security, and patch management

Designed the Systems Management Server infrastructure that led to the successful deployment of large software and security applications over various WAN links

Drafting Proposals and replies to RFP /BOM from Clients for IT Infrastructure, Designs & Hardware.

Clients Include: MOFAC, MOE, E-Supply Dubai, MOI, MOHAP, MOHRE, SEWA, FEWA & other Private Clients

Information Technology Specialist at Electritech Technology   Sharjah, **UAE**   Apr 2017 – May 2021

Review diagnostics and assess the functionality and efficiency of systems Implement security measures

Monitor security certificates and company compliance of requirements

Offer technical support to company staff and troubleshoot computer problems

Maintain Website, Emails & other Servers

Drafting Proposals and replies to RFP /BOM from Clients for IT Infrastructure, Designs & Hardware

Clients include: SEWA, FEWA, DEWA, Sharjah Municipality, Sharjah Free Zone

Information Technology System Support at ATG   (Internship)   Dubai, **UAE**   **Oct 2016** - Mar 2017

Install and configure computer hardware operating systems and applications monitor and maintain computer systems and networks

Act as the initial point of contact for all computer and system related concerns from clients or other employees

System Administrator at Devcom Service Provider	Islamabad KPK, **Pakistan**	2013 - Jan 2016
Network Engineer at Elite Pak Technologies Pvt Ltd	Abbottabad KPK, **Pakistan**	Jan 2012 – Jan 2013
IT Support Technician at AA Company	Peshawar KPK, **Pakistan**	2008 - Mar 2011

Why Zeeshan?

- Qualified and proficient information officer and systems & security engineer having expertise in maintenance of computer networks, hardware, software and other related systems.
- Result-oriented professional holds sound comprehension of analytically performing disaster recovery operations, protecting data, software and hardware from attacks; skilled at multitasking between handling documentations & daily jobs
- Diligent individual has detailed understanding of application transport and network infrastructure protocols as well as ability to maintain good coordination and collaboration with different departments and teams involved in on-going projects

Soft Skills

- An analytical mind
- An ability to learn new technologies quickly
- Good time management skills
- An ability to follow processes
- Strong documentation skills
- Good communication skills – both written and verbal
- Commercial and business awareness

Enterprise Application Software's

- SIEM : QRadar IBM , splunk, logrhythm
- Cisco ASA (5520, 5515, 5505) , Cisco NX-OS
- Fortinet , PA-3060, Cloud Azure, HP Servers & HP Storage Solutions
- Nagios XI, Netwitness , Wire shark, Paessler PRTG Network Monitor, Snort,
- Firewalls : fortigatet, Sophos, WAP F5
- CAFM (Harmony PSA, FSI), Logarithm, ServiceNow, SolarWinds, MacAfee)

Global IT Vendors

Microsoft	Symantec	Vmware	HP	Cisco	Huawei
Fortinet	OWL	SoC EY ,Si	MPLS-TP	Juniper	

Skills

Network Forensics	Penetration Testing	SOC/NOC	VMware/Hyper-V
Firewalls (Fortinet ...)	SIEM Management	Linux, Windows Servers	
Programing Languages	Python / C# / PHP Perl	Kali Linux	
Firewall/IDS/IPS	Encryption Tools		

Certification's/Courses:

Certified Ethical Hacker (**CEH** ECC9106437582), Certified Hacking & Forensic Investigator (**CHFI**), Cisco Certified Network Associate (**CCNA** Routing & Switching), Microsoft Certified Solutions Associate (**MCSA**), **Security+**, **Hardware+**, Web Development, Graphics Design, AutoCAD Civil (2008)

Skills & Knowledge (Servers, System, Security & Networking)

- Network security with Snort, IDS, IPS, MOD SECURITY.
- Network Analysis Tools (e.g. Netwitness, Wireshark, etc.)
- System Analysis, Forensic Tools and Endpoint Security
- Forward Proxy / Reverse Proxy
- Security Standards: CCM, NIST CSF, ITIL, PCI-DSS , SIEM tools IDS/IPS, ISO27001 & GDPR
- CCTV Management – Installation, configuration and complete operation including backup
- Strong understanding of cloud (SAAS/IAAS) security requirements
- Strong knowledge on OWASP
- VMWARE ESXi 5.0/6.5, Microsoft Hyper-V
- Administering & designing LANs, WANs internet/intranet DMZ and NAT-PAT & VoIP networks (PSTN, PBAX)
- VLAN, QoS, Active Directory, DNS / DHCP / LDAP / NFS Cisco Router, Cisco Switch, Switching (L2/L3), Network management Routers Firewalls
- Remote Access RDP, team viewer VNC, Telnet/SSH, HP ILO, iDRAC, PRTG & DELL KACE
- IP & IP Addressing, ACLS, TCP/IP ARP, ICMP, TCP, UDP, FTP, TFTP, MRTG, MRTG2 Nagios .
- Network & security infrastructure including Cisco ASA (5520, 5515, 5505) adaptive security appliance, Cisco wireless controller, routers/switches & voice gateway & NTP server as per ITIL standards and company's policies
- OS: Any OS & NOS (Servers) including CentOS, Ubuntu , RedHat
- Languages: All most All Languages including C#, PHP, JavaScript, Python, R etc.
- Databases: SQL, MS-SQL, HBase etc.
- Layer 3: IP, IPSec, BGP, GRP/EIGRP, OSPF, RIP, NAT, HSRP, MPLS, Confidential, TACACS, LDAP NTP, RADIUS, DNS, DHCP
- Voice over IP: Call Manager, Unity, Avaya, PBX Trunking, Active Directory Integration, Call Detail Recording, Automated Attendant, Extension, Mobility.
- Infoblox and DNS and F5, LAN & WAN troubleshooting, Call Manager & Unity, VoIP, VPN.
- IT Voice over IP, Solar Winds Some Configuration of Confidential Nexus, Confidential ASA firewalls, Catalyst 3750, 2900, 2811, 3960.
- Juniper SRX210, SRX240 Ex4200 EX4300, QFX5100, MPLS, OSPF, IGRP, EIGRP, HSRP, TCP/IP,
- Operation: Switches, Layer 2 switching - VLAN, Port channel, virtual Port Channel
- Proficient in MS Office 365 administration and management (Exchange, SharePoint...)
-

Cyber Forensics & Security Skills

- Computer Forensics Investigation Process Along with Searching and Seizing Computers to obtain Digital Evidence as a First Responder.
- Recovery of deleted files and partitions in popular computing environments, including Windows, Linux, and Mac OS
- Utilizing Access Data Forensic Toolkit (**FTK**), The **Sleuth** Kit, **Autopsy** , **Hexview** ,**EnCase** Steganography, Steganalysis, and Image File Forensics etc
- Password cracking concepts, types of PW attacks, latest tools and technologies to decipher password breaches
- Computer security log capture tools, log analysis methods, time clock synchronization and event correlation

Educational Qualifications

MS in Cyber Security (CUI ATD) CGPA 3.38 2017- -
Majors
- Advanced Cryptography , Digital Forensics , Network and Systems Security
- Digital Content Analysis, Ethical Hacking, Security in Cloud Environment.

MS Research / Project Skills
- Topic: Automatic Analysis of Malware using **Machine Learning & Artificial intelligence.**
- Expert in Writing Code, Scrubbing Data, Visuals for Presentations in **Python** and R Language.

BS in Telecommunication and Networking (COMSATS) CGPA ≈ 3 2012-2016
Majors
- Telecommunication Network Management , Mobile Communication , Network Security
- Telecommunication Network Design, Wireless Networks, Network Operating System.

DAE (Electrical) 1st Division 2011
Majors
- Computer Application
- Application of Computer in Electrical Technology
- Telecommunication

SSC (Science) 1st Division 2008

Personal Information

Date of birth	:	Oct 1991.
Gender	:	Male.
Marital Status	:	**Married**.
Nationality	:	Pakistani.
Driving License	:	Yes
Address	:	Warda 2 Apartments by Nshama **Town Square Dubai**
Languages known	:	**English**, Urdu & Arabic (Basic)

Declaration

I hereby declare that the above furnished details are true to the best of my knowledge

Sincerely,   Zeeshan Haider
